NEW GREATLY EXPANDED INDUSTRY PROGRAM CALL FOR PARTICIPATION

The expanded industry program is designed to provide opportunities for the practicing industry professional to both share and learn about the latest ideas, trends, and product innovations in the broader communications and networking industries, while connecting with their peers and other prominent leaders in the industry. The envisioned program components include:

1. Panels – 105-minute moderated discussion sessions with 4-6 speakers
2. Tutorials/Workshops – Half- or full-day (preferably hands-on) tutorials/workshops
3. Presentations – 20-minute oral presentations on specific topics of interest
4. Posters – Printed posters on specific topics of interest
5. Demonstrations – Showcase of hardware/software demonstrations

**WIRELESS ACCESS TRACK**
- Vision for 5G Cellular
- LTE/LTE-Advanced
- WiFi Technologies
- 802.11ad/WiGig
- M2M Technologies
- Vehicular Networks

**WIRED ACCESS TRACK**
- Optical Networking
- Ethernet
- Powerline Communications
- Fiber
- Cable/DSL

**NETWORKING & INFORMATION TRACK**
- Big Data Analytics
- Internet Technologies
- Cloud Computing
- Cyber Security
- SDN/NFV

**ENABLING TECHNOLOGIES TRACK**
- CPU/GPU/FPGA/DSP
- Circuits and Systems
- RF/Microwave Devices
- Design and Implementation
- Test and Measurement

**EMERGING APPLICATIONS TRACK**
- Internet of Things
- Smart Grid
- Social Networks
- Healthcare
- Public Safety
- Home Networking

**BUSINESS / GOVERNMENT TRACK**
- Startups and Venture Capital
- Mobile Software and Applications
- Spectrum Policy
- Career Management

**PROGRAM TRACKS**

**Submit your proposal**
Interested participants should submit a 200-500 word abstract indicating a desired program component and submission track(s) to www.easychair.org/conferences/?conf=gc2014ind. Other topics not covered by the above tracks can also be considered. More details about the submission procedures and guidelines are available at www.ieee-globecom.org/2014/ifguidelines.html or for more detailed questions, send an email to globecom2014-industry@ieee.org.

**INDUSTRY PROGRAM COMMITTEE**

T. Scott Atkinson
IEEE GLOBECOM 2014 Executive Chair

Ted Rappaport
NYU-Poly

Keith Cambron
AT&T Labs (Ret)

Doug Zuckerman
Telcordia (Ret)

Rob Fish
NEToVations

James Kimery
National Instruments

Chi-Ming Chen
AT&T Labs

Ian Wong
National Instruments

Nikhil Kundargi
National Instruments

Mahmoud Daneshmand
AT&T Labs

Russ Roy
Rigstat

Babak Behesti
